Dear Supporter,

The Sacramento Farm Bureau Foundation for Agricultural Education is excited to celebrate Sacramento County's bountiful harvest once again with the **16th Annual, 'A Toast to Education' Winemaker's Dinner** on **Saturday, August 29th, 2026**. The evening features an elegant farm-to-table four-course dinner paired with McConnell Estates wines.

The Foundation is a 501(c)(3), non-profit organization which provides scholarships to high school and college students continuing their education at a college, university, or technical school. There are three scholarship opportunities. The *Scholastic Scholarship* is for students who are obtaining a post-secondary, academic education in a subject that will support agriculture. The *Ag Employee Scholarship* is for children of agricultural employees studying in any area. The *Career Technical Scholarship* provides scholarships to students who are pursuing a career in a technical field, such as culinary arts, heavy equipment, metal fabrication, etc. Because of your donations, the Foundation was able to award \$19,000 to 15 students in 2025.

We invite you to be part of this important mission. Become an Ag Foundation partner by choosing to be one of the following Sponsors:
